## WORK EXPERIENCE

**September 2024 – January 2025**

**Full Stack developer / App Deployment Specialist (remote work) Invisible Technologies | San Francisco CA 94104, United States |**

**Responsibilities:**

- Ensured data integrity through systematic verification processes.
- Analyze user requirements and translate them into technical specifications
- Develop front-end interfaces and back-end logic.
- Work with APIs and web services to connect the front-end with back-end systems.
- Collaborate with cross-functional teams (designers, testers, DevOps)
- Promoted sales through lead generation and cold-calling potential clients
- Debug and resolve software defects and performance issues
- Configured and managed complex information systems requiring strict security protocols.
- Maintained accurate documentation across multiple platforms and applications.
- Implemented systematic quality checks to identify and rectify errors.
- Stay up to date with emerging trends and technologies in software development

**November 2022 – January 2025**

**Front End developer (remote work) Invisible Technologies | San Francisco CA 94104, United States |**

**Responsibilities:**

- Create responsive and interactive user interfaces using HTML, CSS, and JavaScript.
- Develop features based on UI/UX design mockups and wireframes.
- Optimize component-based architecture and maintain reusable code.
- Translate UI/UX designs into functional, visually appealing interfaces.
- Ensure consistency in layout, colors, fonts, and branding across pages.
- Ensure applications work seamlessly across mobile, tablet, and desktop devices.

## **September 2021 – September 2022**

**Medical Interpreter(remote), GLOBO Language Solutions | 100 N. 18th Street, Philadelphia, PA 19103|**

### **Responsibilities:**

- Ease verbal communication between healthcare practitioners and patients.
- Accurate translation of medical information on audio or video calls.
- Accurately translating medical terms for patients, immigrants and other clients from English to Kinyarwanda, and Swahili.
- Simplifying any jargons to make communication easier.
- Upholding confidentiality.

## **March 2020 – July 2021**

**Sales and Marketing Officer, Touch Media Design Ltd | Kigali, Rwanda**

### **Responsibilities:**

- Offered strategic advice to build brand awareness and capture attention of target markets.
- Identified new opportunities and customers with continuous monitoring of market and pipelines.
- Developed and managed successful marketing sales pipelines by seeking out new leads and building strong partnerships.
- Met deadlines consistently, working effectively under pressure to achieve all targets.
- Underpinned successful sales operations by smoothly handling briefs, proposals, and contracts.
- Worked effectively with diverse team to accomplish daily objectives and meet long-term goals.
